- Two practitioners' congress streams
- The 6th EuroFM Research Symposium
- ...and many other features.

Key Topics

- European Best Practice in the Private and Public Sector
- Trends and Innovation in FM
- FM Supporting Business Continuity and Risk Management
- Customer Care and Communication
- IT in FM
- FM Providing Sustainable Buildings and a Healthy Environment

Study Tours*

In the morning of the second conference day (27th June), we offer you an alternative to lectures and presentations. See Best (FM) Practice live and join one of the study tours.

1. University Hospital Zurich
Electronic Ordering System for Patient Transportation
2. University Hospital Zurich
Technical Infrastructure such as emergency power, district heating, water treatment and control technology.
3. Phonak Hearing Systems
Learn how this cutting edge Swiss med tech company enforces a successful corporate culture through architecture and work place planning.

* Please note that these parts of the conference need separate bookings. Places are limited. First come, first served.

Networking Opportunities

Alongside the contents and information that you will receive during this conference there are plenty of possibilities to network.

Who should attend?

Board members, CxOs, senior management, decision makers and experts with responsibilities and interests in

- Facility Management
- Real Estate Management
- Asset Management
- Architecture and Project Development

from all industries, public administration and academia.

Welcome Reception

We cordially invite you to the Welcome Reception on the night before the conference (25th June) in the Tutor's Lounge at the Federal Institute of Technology Don't miss the welcome address from Elmar Ledergerber, the Mayor of Zurich and the great view over the city, the lake of Zurich and the mountains).

Gala Dinner*

After the first conference day the Gala Dinner will take place in the "Lake Side", a beautiful place (with a great cuisine) right at the lake.

Exhibition

Visit the accompanying exhibit and get information about new products and services that might make your work as an FM-manager easier.

Discover Switzerland

You travel from abroad and want to take the chance to spend some extra days in Switzerland? Together with "Ryffel Reisen" we prepared two Swiss tours for you.

3-Day Tour (23rd-25th June)

On this trip you will visit some of the most beautiful places in Switzerland, such as Andermatt, Nendaz, Gstaad and Interlaken. You will have the pleasure of wine testing in the highest wine region in Europe and trying to play the Alphorn.

This tour costs CHF 500.- and will take place if 5 or more persons register.

1-Day Tour (25th June)

Visit the center and origin of Switzerland. In only one day you can enjoy the spectacular view from the Rigi, relax during the boat trip on the Vierwaldstättersee and see picturesque Lucerne including its famous bridges and towers.

This tour costs CHF 105.- and will take place if 31 or more persons register.
